ANSWERS TO QUESTIONS RECEIVED THROUGH 12:00 PM ON MARCH 24, 2017:

Q#1 Is this an “all or nothing” bid, or may items be awarded separately to the lowest price/best bidder?

A#1 The Commission will select the lowest responsive and responsible bidder for each Group of Items. Bidders are not required to submit pricing for all Groups, but failure to bid on all Items within a Group will result in the Bid being unresponsive for that Group.

Q#2 I am reviewing the information on page 12A regarding Small Business. We are a large business, so do not qualify as a small business. Do we need to fill this out, and if so, how do we respond? I want to make sure we understand what you are looking for on this.

A#2 The SBE goal applicable to this procurement is 0%. However, all bidders are required to complete and sign the forms on Pages 12a and 12b. Bidders are not required to complete the forms on 12d and 12e regardless of the SBE participation amount described on pages 12a and 12b.

Q#3 For Group IV, (Page 6E) Non Reflective Sheeting, can you let me know what product is being supplied for this now? Or do you have additional specifications? It is difficult to tell from the information provided what material is required.

A#3 The current vendor for Group IV is supplying the Avery Dennison Corporation SC 900 series film.
