**REQUEST FOR QUOTATIONS FROM
INDEPENDENT PUBLIC ACCOUNTANTS
TO PERFORM AUDITING SERVICES**

The Ohio Auditor of State has issued a Request for Quotations (“RFQ”) from independent public accountants to perform auditing services for Ohio Turnpike and Infrastructure Commission (“Commission”) to cover financial statements issued for the periods January 1, 2016 through December 31, 2020.

Any Independent Public Accountant wishing to respond to the RFQ must have registered with the Auditor of State through its IPA Portal accessible through the following website and gave notice its interest in the project: <http://www.auditor.state.oh.us/ipa/contracting.html>

Those firms selected to receive the RFQ had an opportunity to participate in a pre-quote conference call on September 14, 2016 and submit questions regarding the engagement before the inquiry deadline on September 19, 2016. Responses to the questions submitted will be compiled and furnished to the participating independent public accountants and posted on the website.

Responses to the RFQ are due at 2:00 PM (Eastern) on September 26, 2016.
