## Resolution Awarding a Contract for the Furnishing of Pavement Sweeping Services under Invitation No. 4260

WHEREAS, the Commission advertised an Invitation for Bids to perform its requirements for pavement sweeping services during a period commencing upon contract execution and continuing through the 2016 pavement sweeping season; and

WHEREAS, the Commission received four bids in response to the Invitation, and the Commission's Maintenance Engineer reviewed and analyzed the bids timely submitted, whose report concerning such analysis is before the Commission; and

WHEREAS, the Maintenance Engineer reports that the lowest responsive and responsible bid for the performance of Contract No. 4260 was submitted by **Perfect Sweep, Inc.**, of **Toledo, Ohio**, in the estimated amount of **\$150,000.00** based on the anticipated quantities of pavement sweeping services that the Commission will require throughout the term of the Contract; and

WHEREAS, Commission action is requested to approve the Contract in accordance with Article V, Section 1.00 of the Commission's Bylaws because the amount of the bid received may require expenditures under Contract No. 4260 that will exceed \$150,000.00 if the Commission's requirements for pavement sweeping services surpass the estimated quantities; and,

WHEREAS, the Maintenance Engineer further reports that Perfect Sweep, Inc. proposes to furnish material and services in accordance with the specifications, and has previously performed the same services satisfactorily for the Commission, and, therefore, the Maintenance Engineer recommends that the Commission award a Contract for Pavement Sweeping Services to Perfect Sweep, Inc. as the lowest responsive and responsible bidder; and

WHEREAS, the Director of Contracts Administration advises that the bids for Contract No. 4260 were solicited on the basis of the same terms and conditions and the same specifications, that the bid of Perfect Sweep, Inc. for Contract No. 4260 conforms to the requirements of Ohio Revised Code Sections 5537.07 and 9.312 and that a bid security in the form of a cashier's check in the appropriate amount has been submitted by Perfect Sweep, Inc.; and

WHEREAS, the Executive Director has reviewed the reports of the Maintenance Engineer and the Director of Contracts Administration, and concurs with the recommendation to award Perfect Sweep, Inc. the Contract for Invitation 4260 as the lowest responsive and responsible bidder; and

WHEREAS, the Commission has duly considered such recommendations;

NOW, THEREFORE, BE IT

RESOLVED by the Ohio Turnpike and Infrastructure Commission that the bid of **Perfect Sweep, Inc.**, of **Toledo, Ohio**, in the estimated amount of **\$150,000.00** to perform the Commission's requirements for pavement sweeping services is approved as the lowest responsive and responsible bid received, and that the Executive Director is authorized to execute a Contract on the basis of said bid, and the Contractor shall furnish the Commission's requirements for pavement sweeping services throughout the Contract term, whether more or less than the estimated quantities, as may be ordered by the Commission under the Contract.
