Q#7 Thanks so much for the information regarding supplies at the Erie and Commodore plazas, it is a huge help. Can we get the same information for Great Lakes and Towpath?

A#7 *The following provides the 2012 supply usage, as reported by the current Contractor, at the Great Lakes and Towpath Service Plazas. Each monthly item count corresponds to the respective item volume in the bottom Legend. Note, however, that the GL/TP Service Plazas are scheduled for renovation in early 2014. Most multifold dispensers will be removed and replaced with roll towel dispensers as part of this renovation project.*
