## Commercial Account Terms and Conditions E-ZPass® Transponders and ohioturnpike.org

**PLEASE READ THESE TERMS AND CONDITIONS OF USE CAREFULLY. BY ACCESSING THIS WEBSITE OR USING ANY OF ITS FEATURES ALONG WITH OUR E-ZPASS® TRANSPONDER, YOU AGREE TO THESE TERMS OF USE. IF YOU DO NOT AGREE PLEASE REDIRECT YOUR BROWSER AND EXIT THE WEBSITE.**

### **1. Fees Summary: See Terms and Conditions of use as fully described below for explanation of all fees:**

- a. Shipping/Handling Fee:** \$3.00 for each Transponder ordered from the Ohio Turnpike and Infrastructure Commission
- b. Monthly Service Fee:** \$0.75 per month service fee per Transponder for each Transponder that is used for less than 30 trips in the previous month

### **2. General**

Welcome to ohioturnpike.org and E-ZPass® website (collectively, the “Site”), which is owned and operated by the Ohio Turnpike and Infrastructure Commission (the “Commission”).

E-ZPass® is an automatic, electronic toll collection system that quickly and efficiently moves traffic through the Ohio Turnpike and anywhere E-ZPass® is accepted. A motorist with an E-ZPass® transponder (“Transponder”) can travel through E-ZPass® toll lanes seamlessly with the toll automatically deducted from the motorist’s Transponder account.

### **3. Purpose**

This Terms & Conditions of Use Agreement (“Agreement” or “Terms of Use”) sets forth guidelines for the use of E-ZPass® Transponders and the use and viewing of our Site. By browsing to the Site, you (as a “Visitor” or a “Customer”) agree to these Terms of Use. A “Visitor” is defined as any individual browsing the Site. A “Customer” is defined as the commercial E-ZPass® account holder and/or anyone within the organization who uses a Transponder.

The Commission reserves the right, at its sole discretion, to change, modify, add, or delete portions of these Terms of Use at any time without further notice. The Commission will post any changes to these Terms of Use on the Site. We encourage you to periodically review this page for the latest information on our Terms of Use.

### **4. E-ZPass® Transponder Terms**

#### **A. Prepayment; Charges**

The Commission currently accepts VISA, MasterCard, Discover, and American Express credit cards as authorized payment methods for billing purposes. Customers must provide a primary payment method to establish a commercial account. An optional secondary payment method is recommended and will only be charged if the primary method fails. All payment transactions are processed by our third-party payment processor in adherence to PCI DSS, and other applicable standards. The Commission does not collect, store, or directly process any payment method or card information. The Commission at its sole election may discontinue support for any payment method or it may support additional payment methods (ex. Apple Pay, Google Wallet or Amazon Payments).

Upon acceptance into the program, the Commission will charge the Customer’s designated payment method a prepaid beginning balance of \$50.00 for each Transponder requested. This amount will be credited to the

## Ohio Turnpike and Infrastructure Commission

Customer's new *E-ZPass*® account and will be available to pay tolls and other fees and charges. The Customer may request a higher initial balance, as indicated on the application.

When the Customer's account balance drops below a cumulative balance of \$20.00 per Transponder, the account will be replenished with a charge to the Customer's designated payment method in the amount of: (i) the average monthly tolls incurred over the past ninety (90) days or the amount needed to return the account balance to \$50.00 per Transponder, whichever is greater; or, at the Customer's option, (ii) the average weekly tolls incurred over the past ninety (90) days or \$250.00 per account, whichever is greater. The Customer is responsible to ensure that the Customer's EFT or credit card information (including expiration date) on file with the Commission for your account is current. If your credit card or EFT issuer allows, the Commission may obtain any new expiration dates, any new account numbers or other renewal information from your credit card account and use this information to update and replenish your account. No interest will be paid on any balances in a Customer's account.

Commercial accounts will be assessed a \$3.00 shipping and handling fee for each Transponder ordered from the Commission's Customer Service Center. All Customers will be assessed a \$0.75 per month service fee per Transponder for each Transponder that is used for less than 30 trips in the previous month in Ohio.

Inactive accounts will continue to be charged the monthly service fee of \$0.75 per Transponder until the account is closed.

### **B. Use and Ownership of Transponder**

Customers must properly mount Transponders to their vehicles in accordance with the instructions. Failure to mount the Transponder correctly may prevent toll collection and may subject the Customer to additional fines or fees and possible closure of account. While traveling on the Ohio Turnpike, these additional amounts include, but are not limited to, the Customer's toll being determined at the higher Video *E-ZPass*® (V-Toll) and/or Unpaid Toll rate, as set forth in the [Schedule of Tolls](#).

The Customer may only use the Transponder on a vehicle that corresponds to the classification of Transponder provided to the Customer. Transponder usage is limited to one vehicle per trip. Under no circumstance will a toll collector hold a Transponder so that another vehicle can use the same Transponder.

The Customer must approach and pass through an *E-ZPass*® lane at the posted speed limit. Failure to obey the posted speed limit may result in suspension of your Transponder. The Customer must comply with all applicable traffic laws, regulations, signs, signals, and directions of toll collectors or law enforcement officials. If the Customer uses the Transponder at facilities in other states, the Customer shall be subject to the laws and regulations governing such use.

Transponders shall remain the property of the Commission at all times. The Customer agrees to surrender possession of all Transponders immediately upon request by the Commission or upon termination of this Agreement. A \$10.00 fee will be assessed for each unreturned Transponder.

By accessing and using the information available on the Site and the Transponder, the Customer is agreeing to use the information, calculations, and links provided by the Site solely for purposes of paying tolls via *E-ZPass*® and any other interoperability and legitimate electronic tolling industry research for the benefit of the *E-ZPass*® group and its members, and other non-fraudulent activities to advance national interoperability.

Use of the data, technology and information derived therefrom and links for any purpose other than the collection of tolls via *E-ZPass*® is strictly prohibited. Any fraudulent activity using the Site, the Transponder or the *E-ZPass*® technology is strictly prohibited, including, for example, use for development of technology that induces

## Ohio Turnpike and Infrastructure Commission

others to bypass the legitimate collection of tolls by an *E-ZPass*® agency. Legal proceedings will be commenced against anyone using the transponder or *E-ZPass*® technology in any way other than for the collection of tolls on the Ohio Turnpike or *E-ZPass*® facilities.

### C. Statements

Account statements showing detailed transactions will be available monthly and upon the anniversary day of when the account was opened. If an account was opened on the 29<sup>th</sup>, 30<sup>th</sup>, or 31<sup>st</sup> day of the month a statement will be generated on the 28<sup>th</sup> day of the month. Customers with a valid e-mail address on file will be notified electronically when their statement is ready. Customers can access their statements online at [www.ohioturnpike.org](http://www.ohioturnpike.org) free of charge. Customers requesting printed statements to be mailed to them will be assessed a fee of \$1.00 for the first five Transponders plus \$1.00 for each set of up to five additional Transponders up to a maximum fee of \$10.00 per statement.

### D. Customer Accounts

To become a Customer, you must complete the registration process by providing the Commission (or its service providers) with current, complete and accurate information as required by the registration process. The Customer agrees to maintain updated information on its account at all times, including, but not limited to, address, license plate number(s), vehicle information, and authorized payment method including payment cards, security codes and any expiration dates on file. The Customer may log onto [ohioturnpike.org](http://ohioturnpike.org) to change or update its information, add vehicles to its account, view account balances and authorize payments. At its sole discretion, the Commission may refuse to accept any Customer registration for any reason.

The Customer may cancel or update its *E-ZPass*® account information at any time either online at [www.ohioturnpike.org](http://www.ohioturnpike.org) or by phone call to the Customer Service Center at (440) 971-2222. All Transponders must be returned to the Commission to complete closing the account. Your account will be charged a \$10.00 lost/stolen fee for any unreturned Transponders. Transponders may be mailed to: Ohio Turnpike and Infrastructure Commission, attn: CSC, P.O. Box 460, Berea, Ohio 44017.

### E. Account Suspension; Termination

Commercial accounts may be suspended or terminated for: (i) authorized payment failure; (ii) violations of any other terms or conditions of this Agreement; or (iii) authorized payment disputes/chargebacks.

All tolls, fines, and fees are due immediately upon closure of the account. Cash payment upon exit at any Ohio Turnpike toll booth will be required if the Customer's account is suspended or terminated at the time of the toll transaction.

The Customer agrees to pay all costs, including attorneys' fees, incurred by the Commission to collect any monies due the Commission.

The Commission may terminate this Agreement at any time and for any reason. Upon termination for any reason, the Commission will refund any positive balance in the account by crediting the Customer's authorized payment method. A check payable to the Customer may be issued at the sole option of the Commission.

All Transponders on a closed/terminated account must be returned in good working condition within thirty (30) days from the date of account termination to avoid a \$10.00 charge per Transponder. Transponders that fail through no fault of the Customer and are returned will not be assessed a fee. The standard \$0.75 per month service fee will be applied to the replacement Transponder.

## Ohio Turnpike and Infrastructure Commission

### F. Lost or Stolen Transponders

The Customer will continue to be responsible for all tolls incurred through the end of the day of notification to the Commission that a Transponder has been lost or stolen. Transponders reported lost or stolen will no longer be assessed a \$0.75 per month service fee. If a Transponder is lost, stolen or damaged within the first four (4) years, the Customer will be assessed a \$10.00 replacement fee, plus a \$3.00 shipping and handling charge. Customers are required to report lost or stolen Transponders immediately either online at [www.ohioturnpike.org](http://www.ohioturnpike.org) or by phone at (440) 971-2222.

### G. Miscellaneous

The Customer acknowledges and understands that it and its vehicle(s) may be photographed or videotaped while on the Ohio Turnpike, other *E-ZPass*® agency roadways, and facilities. The Customer expressly understands that the Commission and other *E-ZPass*® agencies may monitor the use of the Transponder for the purposes of toll collection, traffic monitoring, parking, and detecting violations of this Agreement.

The Commission may modify this Agreement and the *E-ZPass*® application at any time without notification to Customers. The Customer agrees to such modifications when it continues to use this Site or its Transponder subsequent to the effective date of the notification of modifications.
