## **Resolution Rejecting Bid Received on Bid Invitation No. 4263 for Furnishing One (1) Current Model Truck Cab and Chassis and Installing One (1) Sixty (60) Foot Aerial Device With Digger**

WHEREAS, the Commission publicly advertised an Invitation for Bids upon a Contract to furnish one (1) current model truck cab and chassis (“Group I Item”) and installing one (1) sixty (60) foot aerial device with a digger (“Group II Item”), designated as **Bid Invitation No. 4263** (the “Project”); and

WHEREAS, the Commission received no bids to supply the Group I Item Cab and Chassis and one bid to supply the Group II Item Aerial Device; and

WHEREAS, the Commission’s Maintenance Engineer reports that because this Invitation contains two Groups that are each necessary components to procuring the operationally integrated equipment needed, it is essential that at least one valid bid is received for each Group in order to furnish a complete and assembled unit; and

WHEREAS, the only bid received for Group II was submitted by **Fyda Freightliner Columbus, Inc.**, of **Columbus, Ohio**, which cannot be accepted without a corresponding acceptable bid for the Group I Item completing the apparatus, and, therefore, the Maintenance Engineer recommends that this bid be rejected, and the Procurement Department re-advertise this Invitation as soon as possible; and

WHEREAS, the Commission’s Director of Contracts Administration has submitted a report advising the Commission that, pursuant to the Bidding Documents on Bid Invitation No. 4263 and Ohio Revised Code Sections 5537.07(A) and 9.312, the Commission has expressly reserved the right to reject any and all bids; and

WHEREAS, inasmuch as the value of Bid Invitation No. 4263 is in excess of \$150,000, pursuant to Article V, Section 1.00 of the Commission’s Code of Bylaws, Commission action is requested for the rejection of the bid on the Contract; and

WHEREAS, based on the reports submitted by both the Maintenance Engineer and the Director of Contracts Administration, the Executive Director concurs with their recommendation that the bid on Bid Invitation No. 4263 be rejected; and

NOW, THEREFORE, BE IT

RESOLVED that the Ohio Turnpike and Infrastructure Commission rejects the bid received in response to Bid Invitation No. 4263.
