Mark R. Musson

**ANSWERS TO QUESTIONS RECEIVED THROUGH 1:00PM ON JULY 14, 2017:**

**Q#9 Page 3C - Certified Participation Report. It is our understanding that this is only for subcontractors. Correct?**

*A#9 Correct.*

**Q#10 All catch basins are decanted (remove water) back into basin. Solids are dumped into contained area Turnpike loads solids into roll-off for disposal, at landfill. Solids are tested by Turnpike from roll-off before disposal. Yes or No.**

*A#10 Commission does not dictate the contractor's means and methods for disposing of the waste. Per the Specifications, the Contractor's services include disposal of the designated material in accordance with current rules and regulations of the United States and Ohio Environmental Protection Agencies and other applicable regulations as it pertains to catch basin waste material. The manner that the material is removed and disposed of must be appropriate for the given material, and the Contractor's responsibility starts at removal and continues through disposal.*

*The Commission will not perform any testing other than what is described on Page 8a.*

**Receipt of Addendum No. 4  
Invitation No. 4299 is hereby acknowledged:**
