THE END OF THE INQUIRY PERIOD**

Q#1 Is the Ohio Turnpike and Infrastructure Commission conducting a Disability Insurance RFP?

A#1 No. The Commission employees receive disability coverage from Public Employees Retirement System.

Q#2 I am reaching out at this point to inquire about the Life renewal rates. Is this information available at this time? If it is it would be a big help to us when preparing our proposal.

A#2 Renewal rates are not available because the current provider is required to present renewal pricing through the RFP process.
