ANSWERS TO QUESTIONS RECEIVED THROUGH THE END OF THE INQUIRY PERIOD:

Q#1 I have received the RFP for the beverage, food/snack, and laundry vending services at the new rest areas in Mahoning County. Since we do not provide any services for food/snack or laundry, do we have the opportunity to bid solely on the beverage vending? Thank you for your time.

A#1 No, the Commission will enter into a single Agreement for all the services described under the RFP. See PART 1 of the RFP
