

SCAM ALERT

Ohio Turnpike Alerts Customers of Ongoing Text Scam for Toll Payments

BEREA, Ohio (July 22, 2024) – The Ohio Turnpike and Infrastructure Commission is reminding toll customers everywhere to be aware of a resurgence in fraudulent texts from scammers requesting payment for unpaid tolls through fake websites.

The Ohio Turnpike does **NOT** request its *E-ZPass* customers to make payments by text. Collections of unpaid tolls and/or toll violations do **NOT** occur by text either.

The only website links associated with the Ohio Turnpike's *E-ZPass* accounts are ezpassoh.com and ohioturnpike.org.

We encourage all customers to stay alert to these “smishing” and “phishing” scams by text and email, respectively.

For questions about the Ohio Turnpike's *E-ZPass* notifications, contact us at ezpassoh.com or calling the customer service center at 440.971.2222.

SCAM ALERT

The Ohio Turnpike does **NOT** request payments by text. Collections of unpaid tolls and/or toll violations do **NOT** occur by text either.
