ATTENTION OF BIDDERS IS DIRECTED TO:

The advertisement to Bid for Project No. 43-24-10 is hereby withdrawn.

The Commission has not been able to solidify a commitment from utilities to relocate their facilities within the project area in a prompt and timely manner. Therefore, entering into a contract with unknown schedule impacts would more than likely result in extensive delays and project costs. Once a confirmed completion date for the utility relocation is known, the project will be re-advertised. Notifications will be sent to all plan holders on file and a re-advertisement of the project will occur at a later date to be determined. The Commission apologizes for any inconveniences that may have occurred during this process.

Issued by the Ohio Turnpike and Infrastructure Commission through Aimee W. Lane, Esq., Director of Contracts Administration.
